This filing responds to the Court's Order dated July 12, 2011, to advise the Court of the outcome of a July 28, 2011, hearing before the Judicial Panel on Multidistrict Litigation to consider a pending motion to consolidate this matter with several other cases. At the hearing, counsel for Qualcomm and counsel for PJC Logistics presented arguments concerning whether the appropriate venue to hear the consolidated case is the District of Minnesota (Qualcomm's preference) or the Northern District of Texas (PJC Logistics' preference). PJC Logistics did not dispute that consolidation is appropriate. The Panel took the motion under advisement and apparently did not indicate when a decision on the motion will issue.

Respectfully submitted,

Dated: August 12, 2011
